## Why Total Consecration?

*Why Should I Choose to Totally  
Consecrate Myself to Jesus Through Mary?*

This total consecration of ourselves to Jesus through Mary is to be done by an individual who chooses to be united more perfectly with Jesus, serving Him more faithfully and loving Him more tenderly. A deeper union with Jesus, our Savior, true God and true man, must be the ultimate end of this devotion and consecration. For in Him alone dwells the entire fullness of the divinity and the complete fullness of grace, virtue, and perfection. In Him alone, we have been blessed with every spiritual blessing; He is the only teacher to whom we should be united and the only model that we should imitate. He is the only Physician that can heal us; the only Shepherd that can feed us; the only Way that can lead us; the only Truth that we can

believe; the only Life that can animate us. He alone is everything to us and He alone can satisfy all our desires.

We are given no other name under heaven by which we can be saved. God has laid no other foundation for our salvation, perfection, and glory than Jesus. He is our one and only Advocate and our Mediator of redemption with God, the Father. A deeper more personal and intimate relationship with Jesus is why each individual person prayerfully considers this total consecration of one's self to Jesus, through Mary, and should prayerfully consider taking this sacrificial trusting journey. Mary is simply the perfect transparent pathway, being full of grace.

We will have a parish preparation for Total Consecration to Jesus, through Mary. If interested, please contact the rectory so we can get the books and materials prepared before the meeting.

A meeting will be held on **September 1st - 7:00 PM** in the school.

### Saint of the Week

Joseph De Veuster was born in Belgium on January 3, 1840. He was the seventh child and fourth son of a Flemish corn merchant. After college, Jozef entered the Congregation of the Sacred Hearts of Jesus and Mary in Leuven and was given the name Brother Damien. His superiors thought he would not be a good candidate for the priesthood because he lacked education. Yet, he was not considered unintelligent. Because he learned Latin well from his brother, the superiors decided to allow him to become a priest. During his studies, he developed a devotion to St. Francis Xavier, patron of missionaries, to be sent on a mission. His prayers were answered three years later when he was sent to Hawaii. While serving in several parishes, Hawaii was facing a public health crisis. The natives became afflicted by diseases brought in by foreign traders and sailors. Moved with compassion, Fr. Damien volunteered to work with the lepers on the quarantined island of Kalawao on May 10, 1873. Fr. Damien was not only their priest; he dressed their ulcers, built homes, beds and coffins and even dug graves. Six months after his arrival, he wrote his brother in Europe: "I make myself a leper with the lepers to gain all to Jesus Christ." Fr. Damien gave the ultimate sacrifice when he developed leprosy. He died of leprosy on April 15, 1889 at the age of 49. Fr. Damien of Molokai was canonized by Pope Benedict XVI on October 11, 2009. His feast day is celebrated on May 10th.
