Religious Education Classes: There are **no** classes for Religious Education from **November 11-16**. Please bring your families to the Christmas Bazaar! The School has been transformed into Santa's Workshop with lots of activities to keep the children busy, including children's games, crafts, and even Santa's shop where they can buy Christmas presents for friends and family, and even get them wrapped before they leave! Santa will be available for photos from 10 a.m.-2 p.m. on Saturday, and 8 a.m. to Noon on Sunday, in the School.

Christmas Bazaar Committee: The table set-up is scheduled for 1 p.m. on Sunday, November 9. All hands are welcome to help us move tables into the hall. Also, Committee Chairs are asked to meet in the Hall on Wed., Thurs., and Fri., from 6 p.m.- (?) to set-up of their tables. This is a **HUGE** endeavor and lots of helping hands are needed. If your table is set up by Wed., please feel free to come back the following evenings to help out the other Chairs to set-up their tables. Thank you in advance!

Kitchen Items for Christmas Bazaar: If you have signed up to donate items for the kitchen for the bazaar, please bring in those items between Wed. and Fri., Nov. 12-14. They can be placed in the bin, clearly marked "ITEMS NEEDED FOR KITCHEN." If you are donating rolls, please bring those in on Friday night, so they will remain fresh. Any of the other baked goods, such as the mallasadas, can be brought in on Sat. morning (preferably before 9 a.m.).

In-House Raffle Items: The bin is located in the Narthex and ready for your donations! We have already received many wonderful items, but there is room for more! Please help us out by donating new (unused) items and see what our Committee can put together to make some creative gift baskets! All donations are greatly appreciated. Cold & Flu Season

It is that time once again. The season filled with all kinds of germs is now upon us.

Beginning on November 1st, we will forgo the *optional* "Sign of Peace". Let us take this opportunity to deepen our recollection as we prepare to receive Holy Communion.

Extraordinary Ministers of Holy Communion who have any form of illness should refrain from distributing Holy Communion.

FROM THE POPE**St. Paul's Testimony to Central Reality of the Resurrection**

"The Cross cannot of itself explain the Christian faith." the Pope said. "The Paschal mystery consists in the fact that the crucified One **was raised on the third day in accordance with the Scriptures.**" The Resurrection, he said-- citing St. Paul's first letter to the Corinthians-- resolves "the drama of the Cross." In his epistles St. Paul relates that "**something extraordinary** yet at the same time very real happened" on Easter morning, and many *witnesses* testify to it.

Even in these early days of the Church, then, St. Paul relied on the "*chain of tradition*" that reaches down to today's Christians, the Pope said. He suggested that in this way the Apostle offers "a universally-valid model for theology and preaching." The Pope explained: "Theologians and preachers **do not create new** visions of the world or of life but **remain at the service of transmitted truth.**"

The **Resurrection** completes the Gospel message, in the thought of St. Paul, because it "consists in the fact that Jesus, elevated from the humility of His earthly existence, was declared to be Son of God with power.S" the Pope continued. Thus the Resurrection fully reveals the identity of Christ as "**Lord of the living and the dead.**"

Still the Resurrection refers back to the Cross, since Jesus had to suffer and die before he rose. "**Christianity is not the easy path**, rather it is a **demanding climb**," the Pope said. But the struggle is made easier because the route is "*illuminated by the light of Christ and his great hope.*" - Vatican, Nov. 5, 2008
