316 Judson Street Tiverton, RI

What would you give to have dinner with your favorite movie star, musician or folk hero of long?

It would be awesome to spend some time with our personal heroes. But for most of us, that will never happen. And in reality it really isn't a big deal. All of our heroes are made out of flesh and blood just like you and me. They have their difficulties, problems and sufferings. No one is exempt.

But, there is one whom we can spend time with who suffered and overcame them all. "For we do not have a high priest who is unable to sympathize with our weaknesses, but one who has similarly been tested in every way, yet without sin." Heb 4:15

Jesus who suffered and died for our salvation and rose from the dead. He understands all of our difficulties. Jesus waits for us in the Blessed Sacrament to console, encourage and strengthen with His grace.

Jesus related the following to a Benedictine Monk:

"There is nothing that I will not do for those who approach Me in the Sacrament of My love. Look at Me! Here I am vulnerable, exposed, hidden, and yet entirely delivered over to you. The Eucharist is the invention of My love, and nothing surpasses it in all My works. The Eucharist is more than creation itself' it is the crown of My work of redemption in the world, and the foretaste of the glory that I have prepared for those who love Me, in the next.

If souls understood what treasures of love are freely given to those who approach Me in the Sacrament of My love, My churches would be filled day and night, and unable to contain the multitudes drawn to them." (In Sinu Jesus pg. 226)

Come and receive all that Jesus wants to give you! He is waiting in the Adoration chapel. And, unlike other people, He has all the time in the world just for you.

God bless,  
Fr. Finelli

### **Consecration to Saint Joseph**

*Preparation for Consecration to St. Joseph*

We have begun the preparation for "Consecration to Saint Joseph". If you plan on joining, please order the book: "Consecration to St. Joseph" by Fr. Donald Calloway. If you do not have the internet, see Fatima in the office, she can help you. Consecration will take place on the Feast of St. Joseph, March 19th. Solemn Mass at 5:00 PM followed by the consecration.

### **First Saturdays**

*"Look, My daughter, at My Heart, surrounded with thorns with which ungrateful men pierce Me at every moment by their blasphemies and ingratitude. Do you, at least, try to console Me and announce in My name that I promise to assist at the moment of death, with all the graces necessary for salvation, all those who, on the first Saturday of five consecutive months shall confess, receive Holy Communion, recite five decades of the Rosary, and keep Me company for fifteen minutes while meditating on the fifteen mysteries of the Rosary, with the intention of making reparation to Me."*

*(Revelation of Our Lady of Fatima to Sr. Lucia)l*

We cannot imagine the power of the First Saturdays Devotion to console Our Lady for the terrible blasphemies and ingratitude which She endures at every moment, piercing Her Immaculate Heart like cruel thorns. Your fervent Communion of Reparation to the Immaculate Heart of Mary on the First Saturday of each month will bring tremendous graces and mercies to our desperate world, not only for the conversion of sinners, but even to bring an end to the punishments that are falling so heavily upon us for the unprecedented crimes of the world today!

### **Bequests**

Did you know that you can name Holy Ghost in your will? Many people want to leave something to a good cause, but specifically something they know and love. Consider a gift to the parish in your will. Some parishioners have also chosen Holy Ghost in place of flowers. If you would like people to make gifts to Holy Ghost in place of flowers, we have pre-printed envelopes. Just ask the funeral director to contact us.

### **Pro Life**

"Christians have a duty to be politically active, to register and vote, to lobby and educate candidates and elected officials, and to speak up about the issues that affect the common good. The Church does not set up the voting booths, but when we go into the voting booths, we don't cease to be members of the Church! If we don't shape public policy according to moral truths, why do we believe that moral truth at all?"

*Fr. Frank Pavone, Director, Priests for Life*
